B. [REDACTED]

C. Attachment 8, [REDACTED]

1. In response to the Director of Logistics' instructions Reference A, OEL is requested to submit its proposed plan for use of the subject aircraft.

2. Also, since there is Agency concern relative to the cover story to be used by the pilots of said aircraft, I have asked OSA Security Representative, Mr. [REDACTED] to coordinate with OEL [REDACTED] security officers in the development of the cover story to be used.

3. Upon receipt of the above, OSA/CMD and OGC/OL representatives will prepare a proposed contract to be executed between the Agency [REDACTED] for concurrence by Mr. John Blake, DD/A.

4. Attached for your information are copies of References B. and C.

5. Since the Contractor must defer any activities associated with the aircraft until a contract and Deed of Trust for the aircraft are executed, time is of the essence for the resolution of this requirement.
